

# The Giraffe's T-Shirt

## Lyrics

Walking on hot August sand, a warm wind rushes in from the sea

An old shack next to the palm tree

A place to visit and be seen in

Where can I find the Giraffe's T-Shirt?

Just take a right and you are there.

A master chef entertains the crowd

Proud of the ingredients on display

No meats or fish allowed here, Herb has his principles

The smell of olive oil and garlic, a humid mixture of culinary wisdom

Lemon groves over the hillside

Vegetables fly through the air, landing softly on the grill

The bill...is always reasonable at the T-Shirt

Value for money, Herb always says

Lunch time is the worst, every seat taken

Don't forget to make your reservation...at The Giraffe's T-Shirt

The line starts at the left and when the evening comes, patrons relax near the bay

Stay longer...and the desert is free

A friendly staff ready to serve...with a quick recommendation and pleasant conversation

They go the extra mile...to make you feel like a special guest

I know you will be back again to talk to Herb... at The Giraffe's T-Shirt
